

ANNUAL TRACTOR RIDE GUIDELINES

One person per tractor, no riders, no exceptions. All tractors must have a slow moving triangle. All operators must have a valid driver's license, or farm permit. No pulled equipment of any kind. No passing, side by side driving or show off maneuvers. All tractors must be operated in a safe manner. No alcoholic beverages.

We recommend that you have a tow rope or chain on your tractor.

A \$5.00 fee will be collected for each participating tractor on the ride.

Trams will be provided free for those who don't have a tractor, but please notify Preston Lutz at 785-806-6385 prior to June 1st so the adequate space can be planned.
